MY NEIGHBOR'S BIBLE

I am my neighbor's Bible
 He reads me when we meet;
 Today he reads me in my home -
 Tomorrow, in the street.
 He may be a relative or friend,
 Or slight acquaintance be;
 He may not even know my name,
 Yet he is reading me.
 And pray, who is this neighbor,
 Who reads me day by day,
 To learn if I am living right,
 And walking as I pray?

Oh, he is with me always,
 To criticize or blame;
 So worldly wise in his own eyes,
 And "Sinner" is his name.

Dear Christian friends and brothers,
 If we could only know
 How faithfully the world records
 Just what we say and do;
 Oh, we would write our record plain,
 And come in time to see
 Our worldly neighbor won to Christ
 While reading you and me.

The Herald of Light

A young man, after hearing a discussion as to various versions of the Bible, declared, "I prefer my mother's version to any other. She translated it into the language of daily life." Copied.

WITNESS

Instead of being question marks for Christ, we need to be exclamation points. Copied.

SUPPORT OUR TROOPS

There is a basket located in the foyer for SPC Karen Adams, who is currently serving our country in Kuwait and Iraq. We would like to mail a Goodie Package within the next couple of weeks. If you like to bake cookies, fudge, etc. I am sure a taste of home would be welcomed! There is a list of other suggested items located in the basket. Thanks for your support of this ministry.
